

FLAG LINE GROUP REQUIREMENTS

Previous marching band Flag spinning experience is HIGHLY recommended. This group is high energy and focuses on crisp precision movements in our flag routines. Members must possess excellent coordination skills and showmanship, be a quick learner, as well as being able to memorize and execute routines with a SMILE.

Flag Line member must display the ability to perform:

- Drop Spins, Double-fast Spins, Sweeps, Precision Angles and Slams, Butterflies, Windmills, Rowing forward & backwards, Box Drill, and C-1 while maintaining good upper body posture
- March heel/toe while performing parade routine

Flag Line Members must also be able to:

- Learn routine at a fairly quick pace
- Memorize and retain routines (routines will be practiced and performed in a way that you will not always have someone to watch)
- Show consistent coordination skills - forward march and/or mark time in step to music, while accurately performing routines
- March at least 3 miles while maintaining good posture and exhibiting excellent showmanship with a smile
